2017
Portfolio Development in Fashion & Textiles

Description
This Folio Development course will be conducted by experienced RMIT practitioners with the express aim of enabling participants to document the ‘ideas generation’ process they have engaged in throughout this course. These four sessions will allow students to experiment in different media and in different aspects of Fashion and Textiles exploration. In addition, they will be presented with the skills required to graphically document this process.

Content
- Ideas generation
- Developing a personal style
- Communicating ideas
- Colour/patterns/shape
- Fabric/drape
- Understanding 3D form
- Exploration of ideas
- Developing a collection
- “Polishing” your portfolio
- Graphic design enhancement with Photoshop/Illustrator

Outcome
Participants will acquire the skills and knowledge to develop their own personal style of ‘ideas generation’ and be able to graphically communicate their ‘journey’ in preparation for a course selection process.

Suited to
Year 11 and 12 students as well as mature-aged students aspiring to study Fashion and Textiles at RMIT or other institutes.
